

Pleasant Grove Department

HEALTH CONDITIONS GOOD BUT PRECAUTIONS TAKEN TO KEEP "FLU" OUT

The board of health and city officials decided Thursday to close all places of amusement in our city until further notice. This includes dancing halls, picture show, basket ball games and theatres.

For the present, or until further notice schools and churches will be allowed to continue, but the next few days will determine whether churches are to be closed.

American Fork and Lehi have taken the same action, so all amusement places in the north end of the county are closed.

Mayor Hayes reported Friday morning that there was only one case of influenza in the city proper, as far as the officials know and that was brought in from another town, but there is some 12 or more cases in Lindon. There are also two families under quarantine for smallpox.

\$12 PER TON FOR BEETS THIS YEAR

The Utah-Idaho Sugar company has announced that it will pay \$12 a ton for beets this year in place of \$10 per ton paid last year. It is expected that this increase of 20 per cent over last year's figures will result in a heavily increased beet acreage in all sections of Utah, Idaho and Washington where the sugar company operates.

PARENTS' DAY AT SCHOOL

Next Wednesday, February 4th will be parents' day at the Central school. Of course the parents are welcome any day and the teachers are always glad to have them come, show interest in what is being done and talk with them about the children.

However, experience has taught that to designate one special day as "Parents' Day" seems to meet with better approval from the patrons. Therefore, parents, you are kindly invited in mass next Wednesday. Come, see one day of regular school work out of the nine school months, talk with the teacher about the progress of your children. Every teachers needs the support of the parents in the work he or she is trying to accomplish. Show your support by being present on this particular day.

H. S. Seniors Elect Officers

Tuesday the High School Seniors elected their officers as follows:
President—Melvin Hanson
Vice President—Rowena Walker.
Secretary and Treasurer—Pearl Olpin.
Editor—Virginia Smith.
Executive Committee—Daisy Newman, Ford Paulson and Myron West.

THE BABIES

The following babies were born on Tuesday, Jan. 20, 1920:
A boy to Mr. and Mrs. John Bone.
A girl to Mr. and Mrs. Rodeback.
A boy to Mr. and Mrs. Lee Rawlings.

ALUMNIA WILL GIVE NUMBER OF ENTERTAINMENTS

The Alumni are arranging to give a number of entertainments in the way of dramatics and dances. The entertainments will be given for the purpose of meeting expenses of the memorial tablet which has been selected. The tablet will be of bronze with all high school graduates, who were in the service, names engraved in bronze and those who lost their lives in service will be engraved in gold.

As yet the play which will be presented either the second or third week in February, has not been selected, but Mrs. O. E. Grua spent Wednesday this week in Salt Lake, consulting Miss Babcock as to the play that will be presented first.

Committees on both dramatics and dances have been appointed. Anticipations are that two plays will be presented by Alumni members. There is no organization that has better dramatic material than the Pleasant Grove Alumni Association.

Arrangements are being made for a grand ball, which will also be under the direction of the Alumni. This will be given during the latter part of Feb. and will be the largest social event of the season, of course all now will depend on health conditions.

SMALLPOX AND VACCINATION

As every one knows who has suffered with the smallpox, it is very painful, although it doesn't often prove fatal. When the cases in Pleasant Grove were reported, it was too wise by our school board and superintendent to make it possible for our school children to be protected from the disease.

Accordingly Miss Ingersoll, our school nurse, was provided with vaccine and instructed to vaccinate those who so wished. She has spent a few days at the Central school doing most efficient work. A great number of the students, both of High School and Grade school, received the treatment at the small price of ten cents, to pay for the shield used.

The vaccination in most of the cases have taken, thus making these people immune for a certain period of time. However, there are some who have not, as yet suffered with sore arms. These will have the opportunity of being re-vaccinated in about ten days at no more expense.

LEHI COULDN'T WIN BUT CAN WHINE

The following is the kind of "whining dope" Lehi's correspondents are sending out to the daily papers. They are making the bullets and trying to have American Fork fire them. It's the usual thing—if Lehi does not win all games, there is something wrong—incompetent umpiring; our boys were sick, or we were cheated. But read for yourself the stuff they are sending out on the last game:

"Lehi, Jan. 27—Rumors that the league basketball game played last Friday night between Lehi and Pleasant Grove High schools would be protested by American Fork High school, on the ground of incompetent officiating, are afloat in this division of the State High School Basketball league. The officials in the much discussed confab were Richards, former Pleasant Grove High school player and a brother of the Pleasant Grove star forward and Robert Pixton, former Yale medal holder in football punting, who hails from the U. A. C. The charges to be referred to Willard Ashton, arbitrator for the Utah High School Athletic association, will be concentrated against the Pleasant Grove man.

Mysterious Fouls.
Numerous fouls, which nobody who saw the game seems to understand, were called upon the Lehi team while it was working to maintain its well-established lead in the game, say the American Fork followers who saw the contest. They maintain that section 1 of rule 6 of the official basketball rules for 1919-20 providing for a disinterested referee, was violated. Pleasant Grove, by reason of a number of fouls called on Lehi during the last few minutes of play, was able to push out one point to the merry, according to the official score. Practically every other score card in the place gave Lehi the game, 23 to 22.

Coach "Happy" Holmstead's team from American Fork would have enjoyed seeing Lehi cop the victory. By so doing American Fork would have gone into a tie with Lehi and Pleasant Grove for first place. The Forkers are confident of trimming Pleasant Grove in a return game at American Fork next week and hope to nose Lehi out when the two runners-up for the title meet Friday at Lehi. Pleasant Grove's win, however, puts her a bit to the good for the championship in this section.

Official Referee Ill
"Bobby" Richardson of the Deseret gymnasium was to have acted as arbitrator during this important game. He was taken ill, and no neutral substitute could be secured in time. The two teams decided to let Richards referee for one half and Pixton the other, and each alternating as umpire. Pixton took the first half, calling five fouls on each team. Richards began to specialize on the Purple and White team in the second canto, and the trouble began, says the protesting faction.

Mr. Pixton admitted after the game that the officiating of the Pleasant Grove man was too intricate for him to follow.

"Whether Lehi or the Pleasant Grove team had won the game was the big question when the final gong sounded. The official score had it 24 to 23 for the invaders, while practically every other card read 23 to 22 for Lehi. The game is now history so far as the local school is concerned."

Falls and Breaks Hip.

Miss Camilla Larson met with a very serious and painful accident last Tuesday when she slipped on the ice and broke her hip.

She was immediately taken to Provo where an X-ray picture was taken. At present she is at her home and doing as well as can be expected.

Grant's have a fine assortment of dinner sets—Just arrived.

PLAN TO ORGANIZE DRAINAGE DISTRICT

The farmers of Vineyard, Lindon and Lake View are contemplating the organization of a drainage district, and, with Agricultural Agent Joseph P. Welch, have visited several of the drainage districts of the county for the purpose of getting information on the work.

The proposed district, which will extend along the shores of Utah lake from Provo river to Pleasant Grove, will embrace a large tract of land, much of which will be the best in Utah county.

The district will be about 10 miles in length. It will extend from Lake Shore to the Provo bench and will include about 12,000 acres.

Mr. Welch has held several meetings with the farm bureaus of these districts and has explained the advantages of drainage districts to the farmers.

BOOST YOUR TOWN

An ideal citizen is one who sees something good in his town and spreads the good news abroad that others may benefit therefrom.

Of course, there are other side-lights to the ideal citizen, but the quality of joyalty is one which produces tangible results.

There are three distinct attitudes which a person may assume toward the community which houses and feeds him—to boost, to remain quiescent, or to knock.

The booster pushes his town along, the quiescent citizen hurls it to sleep, and the knocker helps to put it out of business.

Perhaps you have never given it a thought. You may not realize yourself which you are—but your neighbors all know. They have you accurately catalogued according to your deserts.

If you are a booster, they admire you; if you are quiescent, they wonder when you will emerge from your slumber; and if you are a knocker, they yearn for the day when you will fold your tent and silently fade away.

Boost the home town, and its citizens will boost you.

Knock it, and you knock yourself infinitely more.

Misses Nettie Lindsay is seriously ill with pneumonia.

Grant's have a fine assortment of dinner sets—Just arrived.

Mrs. S. D. Harper and baby of Blackfoot, Ida, is here visiting her parents, Mr. and Mrs. David Thorne.

More printer's ink would live up several of our business houses. **THE REVIEW** goes in every home in the city.

We buy everything—Pork, Veal, Mutton, and Beef; Poultry, Eggs, Potatoes and hides. E. H. Boley.

Monday evening the Misses Bell and Cora Olpin entertained the teachers of the grade schools of Pleasant Grove at a rook party. After an enjoyable evening spent in playing progressive work, in which the prizes were won by Mrs. E. R. Rasmussen and Miss Lois Hayes, refreshments were served. Those present were Mr. and Mrs. Geo. W. Larson, Mr. and Mrs. E. R. Rasmussen, Mr. and Mrs. LeGrande White, Misses Rose and Florence Harper, Bessie Newman, Viola West, Emily Anderson, Lois Hayes, Thelma Shoell, Bell and Cora Olpin.

REMEMBER THIS:

On account of the high price of newspaper paper, the **CITIZEN** and **REVIEW** is \$2.00 per year if paid for in advance—\$2.50 on time—why not save that 50c. This raise takes effect Feb. 15, 1920 and all who have not paid in advance on that date will be compelled to pay the \$2.50.

In fact if newspaper paper continues to go much higher all newspapers will be compelled to raise subscription and advertising rates from 50 to 100 per cent. You can save this raise by paying subscription in advance.

Some people when they are sick put off calling a doctor until their case is serious—then when they call one the expense is double or tripled.

It is the same way with your automobile. Don't wait until it has almost gone to pieces before you bring it in.

Our customers receive only what we know is best in every line we carry.

Service Garage

Mrs. Wm. Strong of Bingham visited here a few days this week.

E. R. Halliday is home from Castle Gate where he has been employed.

Mrs. Bina Nelson and Mrs. Hannah Benson spent a few days this week in Salt Lake.

Mr. and Mrs. Christofferson of Cornish are visiting here, the guests of Mr. and Mrs. Lloed B. Adamson.

Grant's have a fine assortment of dinner sets—Just arrived.

The Lindon First ward entertained at a dancing party in the Lindon Amusement Hall, Wednesday evening.
